the planet!

In *Cloudy With a Chance of Meatballs™*, Flint dreams of inventing something really special. Too bad his nutty inventions—like spray-on shoes—have caused BIG trouble. Still, Flint never lost sight of his goal.

His newest invention is a machine that makes food rain from the sky. And it actually works! But the machine spins out of control. Giant food enemies start falling from the sky. Now Flint must use all of his wacky gadgets to save the world from a food-tastrophe!

## GRAB YOUR GADGET

Flint's inventions will help save the world from giant food enemies. Which is your favorite?

**A**

### BIGACIOUS POW

This clubber is great for punching things.

**B**

### HOT ENOUGH

You hold this extreme warmer in your hand to melt food.

**C**

### CHOPPER-ER

With a super-sharp blade, this cutter slices up food.

## THINK LIKE FLINT

Things have gone wrong in *Cloudy With a Chance of Meatballs™* VIDEO GAME. Large, mutated food enemies are taking over! Are you ready to fight back with Flint? Show that you can pick the right gadget for the job.

### WHAT YOU DO

- Check out the gadgets that Flint invented, shown above. Decide which one will best battle each food enemy.
- Write that gadget's letter in the circle next to the right picture. (Use a gadget only once.) If you do it correctly, the letters will spell out the answer to our riddle.

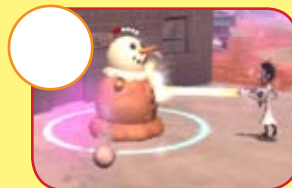

**RIDDLE:** What did the kid inventor say when the giant ear of corn landed on the taxi?

**ANSWER:** Great! I love corn on the \_\_\_ \_\_\_ \_\_\_!

#### 1. JELLY LAND

No matter how you slice it, these Gummy bears are trouble.

#### 2. ICE CREAM FALLS

This ice cream snowman won't melt any hearts.

#### 3. THE PIER

These hamburger creatures pack a real punch.

# FLINT'S TOP 5 Ways to Cook Up Your Own Inventions and Gadgets

How can you be like Flint and start inventing your own amazing gizmos? Give these five ideas a try.

**F**igure out what you want to do with your invention. Do you want it to carry your book bag, mow the lawn, or comb your hair? You decide!

**L**et your mind go. The best ideas can come when you're doing something fun, like playing a game or swimming.

**I**magine the impossible. Think about how a gadget works, such as a toaster or radio. Now what if it did the opposite? What would that new gadget do?

**N**ever let someone convince you, "It can't be done." Stay positive and stick to your goals.

**T**ake your dreams to the next level. Can you make the gadget you imagined? Ask your parents and friends for help.

## UPSUCKER PLUS!

An amazing vacuum that sucks up liquids and spits them out.

## FORKAMAJIGGER

This revved-up fork is handy for picking up food.

## AND DON'T FORGET!

Flint also invented the wacky *Outtasighter Vehicle* to clean up unwanted food that's fallen from the sky.

## OUTTASIGHTER VEHICLE

# MONKEY AROUND WITH INVENTING

Flint thinks the world would be a better place if we could understand animals. So he invented a **Monkey Thought Translator**. This gadget tells him what his monkey, Steve, is thinking. Unfortunately, it's acting up, and Flint needs your help.

Unscramble the letters so each of the thought balloons makes sense.

Do you like the way Steve thinks? You can choose to play as Steve and Flint in co-op mode in the **VIDEO GAME!**
